# FALL 2010 TRAVEL LEAGUE SOCCER REGISTRATION

For Bloomfield residents ages 8 and older with previous soccer playing experience. All players are required to tryout in order to allow coaches to evaluate their playing skills and place them on an appropriate team for the season. The travel league plays in both the fall and spring season. Players must **“tryout”** and register for each season separately. Try-outs are mandatory for all players (new and returning) in order to be placed on a team.

Registration for either the fall or spring season allows the travel league player to participate in the indoor winter season as well.

The times and days of practice are scheduled at the coaches discretion. Schedules of games and practices will be provided by the coach or team manager. Note that many travel league games will be played out of town and players will need to have transportation to and from these locations.

## **Tryout and Registration Dates - Fall 2010 Travel League:**

**Thursday Evening - July 29, 2010 6:00 - 8:00 p.m.**

**Saturday Morning - July 31, 2010 10:00 a.m. - 12:00 noon**

Tryouts and registration are located at the Soccer Fields at Leisure Services Center, 330 Park Ave. Bloomfield, CT.

\*\* Please wear shin guards and cleats and bring a ball and water to try-outs. Also bring a 1 inch portrait photograph (headshot) and copy of birth certificate for player ID card.\*\*

**Registration and Uniform Fees:** The registration fee for all travel players is \$60 for the Fall 2010 season and \$60 for the Spring 2011 season. Travel players must tryout and register for each season separately.

Uniform fee is \$35. The same uniforms will be used for both the fall and spring season.

All travel league fees are payable at the time of registration in the form of cash, bank check or money order. Checks should be made out BJSAs. **Personal checks are not accepted.** We make every effort to have each child play, but there is no guarantee of placement on a team for late registration.

**Uniforms and Equipment** - All Travel players are required to purchase the team uniform as well as shin guards, cleats and a soccer ball. The same uniform will be used for both the fall and the spring season. The uniform fee must be paid at the time of registration. Uniforms will be ordered by the travel league and distributed to players at practice before games begin. Players should purchase their own shin guards, cleats and soccer ball before the first day of practice.

Temperatures and weather conditions can vary widely during the fall and Spring Season. Players should dress appropriately for the conditions. Players are required to bring a water bottle to all practices and games.
